not enriched by derogatory remarks about other women. The great majority of women who want equal rights are as opposed to abortion as the author. It is not fair to twin the two. Scripture gives us a beautiful lady of mystery in Mary. Making her own decision without counsel from parents or guardians and traveling off to visit Elizabeth on her own, indicates a pretty spirited teenager in any age.

I found the book interesting, concise, applicable to our times. It has the quality of being very readable.

CHARISMATIC RENEWAL
By John Healey
Paulist Press, 1976, 109 pp., $1.95 (*paper*)

This concise and direct book has the flavor of an *apologia*, but it is also a fine description of the spiritual power coming to visibility in the Catholic charismatic renewal. Father John Healey, a Brooklyn pastor ordained forty years, testifies to that power.

Healey reflects on his personal renewal, and on the considerable significance this movement has as a vehicle for the whole Church to grow in prayer and openness to divine initiatives. He challenges individuals, especially priests, to discover/rediscover prayer and ministry in this context.

The simplicity of Healy's style should not mislead the reader: his theological perspective on the Holy Spirit is sound. "The Church is no less charismatic than it is hierarchical and sacramental."

Charismatic Renewal is a handy, readable introduction. For greater systematic theological depth, the works of Donald Gelpi are highly recommended, in particular the recent Paulist release *Charism and Sacrament*.

Robert Roger Lebel, S.J.
University of Wisconsin-Madison
